NEW BUSINESS

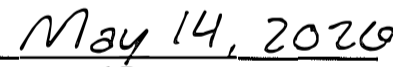

Hybrid voting in Potter County, as provided by Election Systems and Software ~ **Action** ~ Comm. Rossman moved to approve hybrid voting in Potter County, as provided by Election Systems and Software, whereby voters may choose between a paper ballot or voting machine ballot and whereby all ballots, be they paper or machine, will be deposited into and read by the same DS200 poll ballot scanner and vote tabulator, in recognition of the importance of voter choice and election transparency to the voters of Potter County. B. Hayman seconded. Rossman yes; Hayman yes; Grupp yes; Heimel yes.

Elections Director Brown emphasized the need for Poll Workers for Oswayo Borough and Homer Township. Brown stated that it has been difficult to find residents willing to work the polls in many townships. Each polling location requires 4 workers, only one of which can be a student and the student can not work an elected position. She urged any interested residents, especially those in Homer Township or Oswayo Borough, to please reach out to the Election office for more details.
